The Putnam County Council met in Special Session on May 12, 2020 at the Putnam County Courthouse at 1:00 p.m.

MVH & LOCAL ROAD AND STREET FUNDS

Jacque Clements with the Indiana Counties Association was present to give information regarding the impact of Covid 19 on the MVH Fund and the Local Road and Street Fund.

She stated that she believes that counties will receive 40% less revenue than received last year. Property tax payments will be down, and the due date was moved to July by the Governor. Income tax in 2020 will be fine but in 2021 and 2022 it will be down approximately 10%. The MVH Fund is going to be the hardest hit. The Local Road & Street fund is fundable.

The Commissioners and Council will meet in a Joint Session on Monday at 10:30 for further discussion.
