The Putnam County Council met in Special Session on April 10, 2019 at the Putnam County Courthouse at 10:00 a.m. David Fuhrman opened the meeting with the pledge to the flag.

The meeting was held to discuss the LIT Public Safety/PSAP Center rate and the Correctional and Rehabilitation rate.

Jacqueline Clements, AIC was present to discuss how the proposed law that could take place as of July 1, 2019 affects the county. The new proposed law states that only 20% of the current .01% could be used to for operations and the rest would have to be used for capital purchases.

If the council determines they would like to reallocate the percentages within the current LIT Public Safety rate and the ordinance is passed by June 30, 2019 the entire amount could be used for operations of the jail

Larry Parker made a motion to have Trudy Selvia write the proposed ordinance with the overall LIT Public Safety rate to remain at 2.1%, however the PSAP rate would change to .23%, and the Rehabilitation and Correctional percentage be moved to .02%. Gene Beck seconded the motion. The motion carried.

Trudy Selvia will draft the ordinance and send it to the DLGF for pre-approval.
